INFORMATION FOR DELEGATES WORKING SWEEPS

(1) Before giving out Green Sheet, collect $16.00 for that team. Pairing (green) Sheets

(2) Have a copy of the sweeps rules available, and read prior to selling Green Sheets. Sweeps Rules...

(3) Have a copy of the Sweeps Calendar. On this sheet there is a list of Member Clubs.

(4) When Green Sheet is turned in make sure all info is filled in: Name, Handicap, GHIN No. and Course Name.

(5) List all guests on the Guest Posting Sheet, with GHIN No.

(6) If partners have more than 7 strokes difference, add 3.5 to the low handicap player’s handicap. This will equal the team handicap. Put this in the space marked Hdcpl on the Green Sheet.

(7) When score cards are turned in, you should check:
(a) Each player’s individual score and post to the Guest Posting Sheet.
(b) Check best ball score for accuracy.
(c) Post Gross and Net score to Green Sheet.

Someone will make arrangements for picking up money, Green Sheets and Score Cards.

This will help in getting the Results out quickly.

Thank you for your help.
